

## Attitudes to abortion (Discussion worksheet)

Photograph © Joe Shaw 2005 (www.joeshaw.org)

'It has been estimated that 50 percent of all human conceptions end in spontaneous abortion, usually without a woman actually realising she was pregnant. In fact 20 percent of all recognised pregnancies end in miscarriage. There is an obvious truth here that cries out for acknowledgement: if God exists he is the most prolific abortionist of all' (Sam Harris)<sup>1</sup>
